In the event there are more candidates for a grade than there are openings, the following list of priorities are used in the selection of new students:

- Currently enrolled students in good standing are assured a place for the coming year.
- Children of Catholic families of All Saints Parish who have other siblings currently enrolled in All Saints School.
- Children of Catholic families of All Saints Parish who have no siblings enrolled in All Saints School.
- Children of parishioners of other Catholic parishes without a school or with a school that is over-enrolled who have other siblings currently enrolled in All Saints School.
- Children of non-Catholic families with other siblings currently enrolled in All Saints School.
- Children of All Saints staff who do not qualify under any of the above.
- Children of parishioners of other Catholic parishes without a school or with a school that is over-enrolled who have no siblings enrolled in All Saints School.
- Children of Catholic families who are not All Saints parishioners.
- Children whose parents support the philosophy of Catholic education.

Registration Fees

Registration Fees for the 2023-2024 school year are **\$450.00 PER STUDENT**, must be paid at the time of registration, and are non-refundable (unless your child is put on a wait list). This fee is in addition to tuition.

Tuition Rates & Payment Options

The yearly tuition rates are established by the School Advisory Council and are based on the budgetary requirements of the school. The rate of tuition is not reconsidered until the following academic year. As the school is subsidized by the parish as an educational ministry, the tuition rate for students who are active and tithing members of Catholic parish families is less than for students who are not members of a Catholic parish. All Saints School receives support from our local parish, but overall, it is a **tuition driven** school and timely tuition payments are required. Parents have three options for tuition payments. VISA/MasterCard payment is available with an additional 4% service charge.

1. Payment in full by **July 10th** will receive a 2% discount.
2. Bi-annual payments due **July 10th** and **January 10th**. Each payment is for half of total tuition.
3. Monthly tuition payments withdrawn from your bank account on the **10th of every month**. Example: \$7,428.00 yearly tuition/12 months = \$619.00 each month, July through June. *All monthly payments are rounded up to the nearest dollar.*

Tuition Assistance

Tuition assistance for qualifying All Saints parishioners is available. To qualify as an All Saints parishioner you must be active in attending Mass and in parish events and a tithing member for one-year prior and during your tenure. All Catholic families, including those affiliated with another parish, may apply for Archdiocesan financial aid grants. There is a limited amount of tuition aid we are able to give to families in need. Students in grades 3-8 must be current with their sacramental prep. **FACTS Tuition Assistance Forms** (online.factsmtg.com/signin/3GK70) **must be completed by January 31, 2023.**

Parish Subsidies

Parish subsidies help All Saints School bridge the gap between the Catholic parish tuition rate and the true cost of a child's education. Students from other Catholic parishes may receive a subsidy from their own parish and families will then pay the Catholic tuition rate. This benefit will only be given to students who have the OUT OF PARISH REGISTRATION FORM, signed by their Pastor or Parish Priest, and returned to All Saints School.

Please note that each of these obligations carry a monetary charge should families not meet them during the course of the school year.
