Tuition Rates & Payment Options

The yearly tuition rates are established by the School Advisory Council and are based on the budgetary requirements of the school. To qualify for the Parish Subsidized tuition families must actively participate in the sacramental life of the church and regularly tithe for a minimum of \$650 by April 30, 2025. For Non-All Saints parishioners, a completed Out-of-Parish Subsidy Form is required. There are three options for tuition payments. VISA/MasterCard payment is available with an additional 4% service charge.

1. 1 Payment in full via ACH or check on July 10, 2025. This option receives a 2% discount on the yearly tuition.
2. 2 Payments via ACH or check on July 10, 2025; other half payment on January 10, 2026.
3. 12 Monthly payments via ACH on the 10th of each month beginning July 10, 2025. *All monthly payments are rounded up to the nearest dollar.*

Tuition Assistance

Tuition assistance is available for all families. To apply for financial assistance families must complete the **FACTS Tuition Assistance Forms** (online.factsmgt.com/signin/3GK70) by **January 31, 2025**. In addition to receiving assistance from All Saints, Catholic families, including those affiliated with another parish, may qualify for Archdiocesan financial aid grants through FACTS.

Parish Subsidies

The Parish Subsidy helps All Saints School bridge the gap between the Parish Subsidized tuition rate and the true cost to educate a student. Students from other Catholic parishes may receive a subsidy by returning a signed Out of Parish Subsidy Form from their pastor to All Saints.

Other Obligations of Enrollment

Please note that each of these obligations carry a monetary charge should families not meet them during the course of the school year.

- All Saints School asks that each family contribute **30 service hours** over the course of the year. (10 hours to All Saints Parish and 20 to school.) For families with a single custodial parent, **15 service hours** are needed (5 hours to All Saints Parish and 10 to school). You may choose to buyout at \$25.00/hour.
- Families are required to purchase **\$2,000.00 in SCRIP** (by May 15, 2026) **or** buyout at \$200.00.
- Fundraising plays a crucial role in meeting our operating budget. Each family is required to raise or donate **\$150 or** buyout at \$150.00.
- 4th grade Technology Fee \$50.00 for loaned Chromebook, licensing and infrastructure.
- 5th-8th grade Technology Fee \$150.00 annually for Chromebook, licensing, and infrastructure. The device will belong to student upon graduation.

In the event there are more candidates for a grade than there are openings, the following list of priorities are used in the selection of new students:

- Currently enrolled students in good standing are assured a place for the coming year.
- Children of Catholic families of All Saints Parish who have other siblings currently enrolled in All Saints School.
- Children of Catholic families of All Saints Parish who have no siblings enrolled in All Saints School.
- Children of parishioners of other Catholic parishes without a school or with a school that is over-enrolled who have other siblings currently enrolled in All Saints School.
- Children of non-Catholic families with other siblings currently enrolled in All Saints School.
- Children of All Saints staff who do not qualify under any of the above.
- Children of parishioners of other Catholic parishes without a school or with a school that is over-enrolled who have no siblings enrolled in All Saints School.
- Children of Catholic families who are not All Saints parishioners.
- Children whose parents support the philosophy of Catholic education.
