All Saints School 2019-2020 Financial Requirements

Yearly Tuition Rates per Student

Pre-K
\$7,400

Catholic K-8
\$6,400

Non-Affiliated K-8
\$7,400

Please note that due to fundraisers and the Parish subsidy, we are able to reduce the cost of In-Parish tuition. The true cost of educating one child at All Saints School is \$7,400. ***In the event there are more candidates for a grade than there are openings, the following list of priorities are used in the selection of new students:***

- Currently enrolled students in good standing are assured a place for the coming year.
- Children of Catholic families of All Saints Parish who have other siblings currently enrolled in All Saints School.
- Children of Catholic families of All Saints Parish who have no siblings enrolled in All Saints School.
- Children of parishioners of other Catholic parishes without a school or with a school that is over-enrolled who have other siblings currently enrolled in All Saints School.
- Children of non-Catholic families with other siblings currently enrolled in All Saints School.
- Children of All Saints staff who do not qualify under any of the above.
- Children of parishioners of other Catholic parishes without a school or with a school that is over-enrolled who have no siblings enrolled in All Saints School.
- Children of Catholic families who are not All Saints parishioners.
- Children whose parents support the philosophy of Catholic education.

Registration Fees

Registration Fees for the 2019-2020 school year are **\$450 PER STUDENT**, must be paid at the time of registration, and are non-refundable (unless your child is put on a wait list). This fee is in addition to tuition.

Tuition Rates & Payment Options

The yearly tuition rates are established by the School Advisory Council and are based on the budgetary requirements of the school. The rate of tuition is not reconsidered until the following academic year. As the school is subsidized by the parish as an educational ministry, the tuition rate for students who are active and tithing members of Catholic parish families is less than for students who are not members of a Catholic parish. All Saints School receives some support from our local parish, but overall it is a **tuition driven** school and timely tuition payments are required. Parents have three options for tuition payments. VISA/MasterCard payment is available with an additional 4% service charge.

1. Payment in full by **July 10th** will receive a 2% discount.
2. Bi-annual payments due **July 10th** and **January 10th**. Each payment is for half of total tuition.
3. Monthly tuition payments withdrawn from your bank account on the **10th of every month**. Example: \$6,400 yearly tuition/12 months = \$534 each month, July through June. *All monthly payments are rounded up to the nearest dollar.*

Tuition Assistance

Tuition assistance for qualifying All Saints parishioners is available. To qualify as an All Saints parishioner you must be active in attending Mass and in parish events and a tithing member for one-year prior and during your tenure. All Catholic families, including those affiliated with another parish, may apply for Archdiocesan financial aid grants. There is a limited amount of tuition aid we are able to give to families in need. Students in grades 3-8 must be current with their sacramental prep. **FACTS Tuition Assistance Forms** (online.factsmgt.com/signin/3GK70) **must be completed by March 31, 2019**.

Parish Subsidies

Parish subsidies enable All Saints School to bridge the gap between the Catholic parish tuition rate and the true cost of a child's education. Students from other Catholic parishes may receive a \$1,075.00 subsidy from their own parish and families will then pay the Catholic tuition rate. This benefit will only be given to students who have the PARISH SUBSIDY FORM, signed by their Pastor or Parish Priest, and returned to All Saints School.

Other Obligations of Enrollment

Please note that each of these obligations carry a monetary charge should families not meet them during the course of the school year.

- All Saints School asks that each family contribute **30 fairshare hours** to the school over the course of the year. For families with a single custodial parent, only **15 fairshare hours** are needed. You may choose to buyout at \$15/hour.
- Families are required to purchase **\$2,000 in SCRIP** (a \$200 monthly average over 10 months) **or** buyout at \$150.
- Each spring, All Saints School holds a **Fundraising Auction** to raise money for much needed school programs. We ask each family to donate an item or items with a combined **value of at least \$150 or** buyout at \$150.

Department of Catholic Schools

2019-2020 PARENT “OUT-OF-PARISH” SCHOOL REGISTRATION FORM

In accordance with the Archdiocese of Portland’s 2007 revision of the **K-8 ELEMENTARY SCHOOL FINANCIAL OPERATION PLAN**, parishes without elementary schools are expected to subsidize the cost of Catholic education (at an Archdiocesan elementary school) for qualifying Catholic students in the parish.

A qualifying Catholic student is generally determined as follows:

- a. The family must be registered in the parish, be involved, and attend church in the parish.
- b. The family must give regular, identifiable financial support to the parish (*e.g., use of parish contribution envelopes or checks*).
- c. Parishes **may not** add additional requirements.

As part of the school registration process, this form must be completed by the parent(s), ***signed by their Pastor***, and returned to the school office. The signed form will document the family’s status as a qualifying Catholic family. The family’s tuition will then be based on the “qualifying Catholic” rate charged by the school.

✂ Please detach the portion below and return the signed form to the school office.

Summer Camp Opportunity at All Saints School (available even if you don't attend the school)

Steve & Kate's Camp is so excited to be celebrating our 6th year in Portland in 2019! This year we're bringing bigger and brighter adventures to camp. ANYTHING NEW AT CAMP THIS YEAR?

You betcha.

We ask ourselves daily what would be best for kids and then work our tails off to innovate new stuff to blow their minds. Sometimes we accomplish just that. Other times we're met with that face kids have after hearing a bad dad joke. Either way, we never rest until we feel like we've got something good.

WE'RE MAKIN' A MAKERSPACE

Nothing screams Steve & Kate's self-directed learning philosophy quite like tinkering with tools and materials to create new things. Campers tackle Maker challenges like building model vehicles and creating instruments using found and recyclable materials. While we don't guarantee that your child's vehicle will get you around town—in fact we guarantee that it won't—campers will have the chance to let their imaginations run wild.

DAILY FEATURES SPICE THINGS UP

Throughout each week, we'll spice things up with featured workshops such as dance or improv; live shows like musicians or live reptile shows; and large recreational equipment that include old fan favorites like Zorb Balls, race cars, and the hot new playground game of Gaga Ball. On top of all that you'll find the most jaw-dropping feature every single Friday!

WE'RE AMPING UP PLAY

Self-directed play is at the heart of what we do—children learn to flex creative muscles, problem solve, take healthy risks, cope with failure and develop other crucial skills. In addition to our many outdoor outlets for play, we're amping up indoor play at each camp featuring a variety of building blocks and giant board games. Giant Jenga, anyone?

PODCASTING IS NOW IN THE MUSIC STUDIO

Campers can now record podcasts. There is a lot to discuss these days and podcasting will give kids an outlet to express their thoughts—whether they be political or a collection of love poems for their imaginary pets.

OUR CODING APP GETS NEW LEVELS

Our proprietary coding app allows children to learn the concepts of coding via gamification. This year we're adding new levels introducing campers to new challenges and functions. They can then take those newly learned concepts to our coding workshop to make their own app. We'll also be introducing new robots for kids to program.

We know it's a big deal that for the past five years you've chosen Steve & Kate's for your summer camp, and this year we're excited to keep with our philosophy that kids can do absolutely anything and bring them the best of Portland right to them. New adventures for us all to choose?

Yes, please.
