## Facts-RenWeb ParentsWeb

**All Saints School is using Facts-RenWeb School Management Software.** This system now gives you, the busy parent, an opportunity to get more involved in your child's academic progress and future success – all via the Internet!

**RenWeb's ParentsWeb** is a private and secure parents' portal that will allow parents to view academic information specific to their children, the school directory, and record volunteer hours, while protecting their children's information from others. All you need is an Internet-capable computer.

Here's how to access our easy-to-use **RenWeb ParentsWeb**:

- First, you need to make sure that the school has your email address in RenWeb.
- Next, go to <https://as-or.client.renweb.com/pwr/>
- Type your school's **District Code**: AS-OR
- Verify that the Parent button is selected. See image below:
