

Service Sunday is Coming!

Please join our 7th grade class on **Sunday, March 11**, in the Parish Hall from 9:00 AM to 12:30 PM (with a break for 10:30 mass). They will have information about their charitable organizations on display and would love to talk about them! Below is a list of the organizations represented (with links to their websites) and how the students are serving and what they are collecting (if applicable). Perhaps the 7th graders will inspire you and your family to help in our local community.

[13 Salmon Family Center](#) – collecting canned food, serving meals to families
