## 2023-2024 Uniform Code

The All Saints School uniform was designed to foster school pride and school community. The uniform policy at All Saints includes clothing, shoes, socks, hair, makeup, jewelry, and personal hygiene. Students are encouraged to stand out through their character rather than their outward appearance. Students, parents, and faculty should become familiar with the uniform code and follow it closely. All faculty and administrators are responsible for determining what is and is not appropriate regarding student dress code and will communicate home and/or issue Uniform Violations as needed.
